
Darlene's Silver Streak and The Bradford Model T Girls tells the real life story of 8 sumer vacation trips by a group of girls from Bradford, IL in the 1930's and 1940's in an old Model T. They seemed to find adventure at every turn, attending World's Fairs in New York and San Francisco and traveling to Canada to see the Dionne Quintuplets. They met Henry Ford himself and other celebrities on their journeys. Learn how the author eventually found the Silver Streak, a true piece of Americana, and returned it to Central Illinois.

This beautiful 100% cotton classic car themed quilt was handmade by Mary Ellen Thielemann just for the raffle.
